Dear friends,

In a year that has seen both uncertainty and challenges, we are incredibly grateful to the business community for coming together and backing our efforts to provide solutions for people in homelessness.

There is no doubt that the pandemic has been a challenge to everyone. Right now, we need your support more than ever, to ensure that we are able to continue responding quickly and effectively to the needs of vulnerable people right across Ireland.

This Christmas, please consider the words of our Founder, Fr Peter McVerry, 'Live Simply and Share Generously' and help those most in need this Christmas.

Wishing you all a peaceful Christmas,

Pat Doyle,
CEO
Peter McVerry Trust

Give the gift of giving

In lieu of gifts and cards this year, donate to help someone on their journey out of homelessness and we will share a beautiful acknowledgement with you to share with your employees and suppliers.

Share generously in 2022

Give more people the key to their own door in 2022 and set up a monthly company donation. You'll receive regular updates on how your support is changing lives.

“When I walked in, I was totally amazed because, when I realised everything was already in here for me, right down to the bed, the bedding, the furniture, everything was here. I thought it was just a dream come true.”
