

Opening Doors for Christmas

Dear Friends,

This Christmas Peter McVerry Trust is working across Ireland to support and care for people in need.

Already in 2022 **we have helped over 10,000 vulnerable people** in towns and cities in nearly every county in Ireland.

With your support we will continue to respond with practical, dignified responses to the needs of people accessing our services each and every day.

Peter McVerry Trust will help in any way we can. Helping people to secure that all important new home. Supporting families to deal with the cost of living crisis. Ensuring our tenants have the supports they need to manage their bills and avoid fuel poverty. Or simply providing people with the advice and information they need to avoid falling into homelessness in the first place.

By donating to Peter McVerry Trust's Annual Christmas Appeal you can help provide the **support people need right now** in communities across the country.

So please donate today and help open doors for people most in need.

Wishing you all a peaceful Christmas,

Pat Doyle

Jason

“Getting my own home was the best Christmas present you could ever get in your life. I've come from the streets, gone into treatment and then this is just like a dream come true!”

Mick

“I found out Christmas week that Peter McVerry Trust had an apartment for me. I was over the moon. I have a home of my own, after all the years of being homeless. I couldn't be happier. Thank you.”

Edel

“In 27 years this is my first time having a stable place. I moved in Christmas Eve and I couldn't have asked for a better Christmas present. It was the best present ever.”

give the gift of giving

In lieu of gifts and cards this year, donate to help someone on their journey out of homelessness and we will share an acknowledgement with you to share with your employees and suppliers.
