| Job title: | Clinical Nurse Specialist – North East |
| Department: | Housing First |
| Reporting to: | Director of Nursing and Addiction |
| Salary: | €52,455 |
| Hours: | Full-Time |
| Location: | Louth, Monaghan and Cavan |

Role overview

Peter McVerry Trust is a national housing and homeless charity committed to reducing homelessness and the harm caused by substance misuse and social disadvantage.

Clinical Focus

The clinical focus will be in adherence with the care planning process of assessment, planning, implementation and evaluation. The responsibilities of the Clinical Nurse Specialist will be to participate in and contribute towards the development of systems and practices to support the need of the participant group. The responsibility will also lie with the clinical nurse specialist to carry out research in line with organizational systems and practices associated with conducting research. The ongoing development of the enhanced health supports programme will be an integral part of the role and one in which the clinical nurse specialist will contribute towards.

Advocate

The role of the Clinical Nurse Specialist will be that of advocacy for the participant group. There is a large number of participants residing within the housing first service who have not had links to or been provided care by mainstream mental health services as a result of complex needs and often are faced with challenges in communicating their needs. Advocacy is an integral aspect of the role.

Responsibilities

The role will include but not limited to, the following key responsibilities;

Professional Knowledge

- Practice in accordance with relevant legislation and with regard to The Scope of Nursing & Midwifery Practice Framework (Nursing and Midwifery Board of Ireland, 2015) and the Code of Professional Conduct and Ethics for Registered Nurses and Registered Midwives (Nursing and Midwifery Board of Ireland, 2014)

Job Advertisement
